

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

Dear Sirs: Please don't allow cell phone use on commercial flights. It's tough enough up there without some loudmouth talking like he was in a private phone booth (remember them?)...I pity the person that sits near me and decides to use a cell phone to chat away...He'll eat it !!! Also, there is no evidence that cell phone use doesn't interfere with flight telemetry. As a taxpaying citizen, I demand that you oppose the proposed regulation. Thank You,

Sincerely,

Michael Pettine
